

REMARKS

In reviewing the claims as allowed, it has come to the Applicants' attention that claims 1 and 34 should be amended for clarity. Also, Applicants believe that claim 70 can be added without presenting any new issues since the recitation of claim 70 is identical to other dependent claims (e.g., claim 37). These amendments were discussed with the Examiner during a telephone interview on September 22, 2010.

No new matter has been added to the claims.

Should the Examiner care to discuss this amendment in greater detail, the undersigned attorney would welcome a telephone call.

No fees are believed due with the filing of this paper. Nonetheless, the Commissioner is hereby authorized to charge payment of any fees associated with this communication or to credit any overpayment to Deposit Account No. 06-0925.

Respectfully submitted,

/Arthur M. Reginelli/
